

HOW THE NEUFIT SYSTEM WORKS

1

MANUAL MUSCLE TESTING & ACTIVATION

Get muscles back "on-line"
so they can support you
during the recovery process.

The Nervous
System is King

2

SCAN THE BODY FOR DYSFUNCTION OR TRIGGER POINTS

Find the spots where the body
is protecting or shutting down
due to pain or injury.

Tech Enhances
Natural Processes
- It Does Not
Replace Them

3

TREATMENT

Use The NEUBIE to teach
those muscles to work at an
even higher level, increase
blood flow, and set the body
up for optimal recovery.
