Meet Your Dedicated NeuPTtech Client Success Team:

JASON WAZ, FOUNDER

Jason is a private practice owner in Tampa, FL and founder of NeuPTtech, the #1 resource for bringing innovative tech to the physical therapy space. For 25 years, he has stress-tested and utilized the latest innovations and tech within the industry to best serve patient and business outcomes. NeuPTtech serves hundreds of PT practice owners as an authority on physical therapy clinic design, technology and coaching.

WHITNEY ROPER

In charge of Strategic Growth and Customer Relations, Whitney is the first line of offense in delivering an exceptional client experience. With a background in the luxury travel industry and a degree in Marketing and Management, she is now dedicated to working closely with physical therapy owners and their clinicians as they seek out the tools, training and technology that will advance patient and business outcomes.
